

Invitation to the ISHP 14th Anniversary Annual Dinner cum

ISHP Outstanding Safety & Health (OSH) Award Presentation Ceremony (16 Nov, 2018)

Dear all practitioners,

It is the 14th year since 2004/05 that the **Institute of Safety and Health Practitioners (ISHP)** was established for fostering occupational health and safety (OSH) in Hong Kong as their profession under the platform of the **CityU SCOPE OSH Alumni Association (COSHA)**. The Executive Committee of **ISHP** has also established an inaugural ISHP Outstanding Safety & Health Awards in this year – **ISHP OSH Awards 2018**. This Award (with the supports of **CityU SCOPE, Occupational Safety and Health Council** and the **Labour Department, HKSAR**) aims to promote and encourage OSH achievements in different industries. **ISHP** has been serving as one of the **Global Partners of the National Safety Council, USA in the Robert W. Campbell Award** continuously for the past decade. Members of **ISHP** are nominated and appointed as Panel Reviewers for the aforesaid award every year.

Recently we are updating the membership list of about 300 with a view to disseminate all news about the Alumni Association and the captioned event to our alumni and ISHP members. It is our great honor to invite all to join us in this event. Besides the Winners of the OSH Awards, we are inviting all the lecturers who had taught us in those days and all Hon. Advisors (Overseas and Local), Observers, past EC members, OSH seniors, including LD, OSHC, etc. to join this event. On behalf of the Executive Committee, we sincerely invite you to join us for the 14th Anniversary Annual Dinner cum OSH Award Presentation Ceremony. The tentative event details are on the next page...
